

*Yumuşaklığın ev hâli — dokunulan her parça,
hatırlanan bir an.*

EST. BULDAN

— Denizli, Türkiye

Pupilla ailesi olarak biz sizlerden ilham alıyoruz — evin en sessiz dokunuşlarını üretir, gündelik ritüellerin yumuşak hatırasını taşırız.

— Bir markanın hikâyesi.

Hikâyemiz 1992 yılında, Denizli'de — dokumanın başkenti Buldan'da — küçük bir atölyede başladı. Bugün 10.000 m² kapalı alanda, aynı ruhu taşıyarak üretim yapıyoruz.

Özgün üretim anlayışımızla havlu, bornoz, peştemal, nevresim ve pike grupları üretiriz. Ev ve yaşama dair konforu sıradışı tasarımlarla birleştirmek tek misyonumuz.

— A brand's story.

Our story began in 1992 in Denizli — in Buldan, the heart of Turkish weaving. From a small boutique atelier to today's 10,000 m² facility, we carry the same spirit at every stage.

With an original production approach, we craft towels, bathrobes, peshtemals, duvet sets and pique covers. Our mission: to offer the comfort of home through extraordinary design.
